Population Health Management  
De-identified

Population Health Management  
Pseudonymised

NHS Digital (HSCIC)

GDPR objection

**93C1. or XaKRw or 416409005**

Type 1 OPT-OUT

**9Nu0. or XaZ89 or 827241000000103**

National Data OPT-OUT

Individuals can set the National Data Opt Out status via the relevant [website](#) or via the NHS App.

No OPT-OUT / objection

**NO codes entered by GP**

# GP - My patient does not want data viewed or shared for direct care. What do I do?

Patient wishes to remove themselves via a GDPR right of objection.

Patient lodges the objection with the practice.

Objection accepted.

Care community discusses if this is in the individual's best interests.

Objection rejected.

Patient informed objection upheld. Patient data from any source is NOT available for the care community.

Patient informed that request has been rejected. The record is available for the care community.

**GP adds one of the codes to the individual's record**

- 93C1.** - Refused consent for upload to local shared electronic record
- XaKRw** - Refused consent for upload to local shared electronic record.
- 416409005** - Refused consent for upload to local shared electronic record (finding)

Care Community

**GP** - My patient does not want to share data for analytics in relation to commissioning and research. What do I do?

Population Health Community

National Secondary use

Local Secondary use

Population Health Community

Patient wishes to remove themselves from secondary uses of data.

Patient lodges the Type 1 Opt Out with the practice.

**GP adds one of the codes to the individual's record**

**9Nu0.** - Dissent from secondary use of general practitioner patient identifiable data.

**XaZ89** - Dissent from secondary use of general practitioner patient identifiable data.

**827241000000103** - Dissent from secondary use of general practitioner patient identifiable data.

# GP - My patient does not want their data to be shared centrally with NHS Digital. What do I do?
