Sym

Adherence: A bitter pill to swallow

Symposia

Gain 5

credits

Venue:

University of
Manchester
The Dalton Room

Wed **2 October 2019** | University of Manchester

The RCPE Manchester Symposium on Adherence focuses on patients' adherence to medicines; that is, the extent to which patients take their medications as prescribed. It aims for health professionals to understand The Problems, The Determinants, The Interventions and The Solutions of Adherence.

Keynote speaker:

Professor Dyfrig Hughes, Co-Director, Centre for Health Economics & Medicines, Bangor University

- Suitable for a broad audience comprising consultants and trainees from many disciplines and including other health practitioners
- An opportunity for networking with colleagues
- Participate in a panel discussion

Chairs: Professor Matt Makin, Medical Director and Responsible Officer, Pennine Acute Hospitals NHS Trust, Professor Peter Trainer, Director, RCPE Manchester/ MAHSC Clinical Director, Adele Torkington, Deputy Clinical Pharmacy Services Manager, Manchester Foundation Trust, and Dr Tracey Vell MBE, Associate Lead for Primary and Community Care, Greater Manchester Health and Social Care
